

## Privacy Policy

MME SQL Consult is committed to respecting your online privacy. All information you give us is held with the utmost discretion. We do not sell, rent or loan any identifiable information to any third party except in the circumstances described within this Privacy Policy.

Our collection, processing and use of your personal data is in accordance with the the Protection of Personal Information Act (POPIA).

### What data do we collect?

We collect information from you when you register on our Web site to request a software license key or when you fill out a form.

When registering on our Web site or when filling out a form, you may be asked to enter personal information, such as First and Last Name and your Email Address that allows us to contact you. You may, however, visit our Web site anonymously as well.

The Web site may collect certain anonymous information about your visit, such as configuration of computer, operating system, browser and plugins. This information is used for the operation and improvement of the Web site.

We use Google Analytics to track important data and metrics regarding how you interact with our website.

### What do we use your data for?

Any of the data we collect from you may be used in the following ways:

1. To personalize your experience
2. To improve our Web site and customer service
3. To process your requested services

### How do we protect your data?

We are committed to helping protect the security of the information we collect. We use a variety of security technologies and procedures to help protect reports from unauthorized access, use, or disclosure by storing the information you provide on computer systems with limited access, located in controlled facilities.

### How do we use cookies?

Cookies are used to track the individual users after they logged in to our Web site with user name and password. We use cookies to identify page navigation patterns. Cookies are small, encrypted text files that are sent from a Web server to the browser of your personal computer, where they are stored locally. During the browsing session you will be identified by us via this cookie, and it will be deleted upon termination of your session.

Cookies are used in order to recognize our customers more quickly. If you check the "Remember me on this computer"-box at log-in, you will sign in automatically when you access our website. Your browser settings must allow cookies for our Web site to function properly.

### Do we disclose any information to outside parties?

We do not sell, trade, or otherwise transfer your personally identifiable information to third parties. We may disclose your information only when we believe it is necessary in order to comply with the law, enforce our site policies or protect ours or others rights, property or safety.

### Third party links

Occasionally we may include or offer third party products or services on our Web site. These third party sites have separate and independent terms and privacy policies for which we have no responsibility or liability. Nonetheless, we seek to protect the integrity of our Web Site and welcome any feedback about these sites.

### Your Consent

By using our website you consent to our Privacy Policy.
